ODM Q235 HDG Durability Ring Lock Standard Scaffolding For Large Construction Projects

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: OEM
- Certification: SGS
- Model Number: BM48
- Delivery Time: 10-15 Working Days
- Payment Terms: T/T

Product Specification

- Features: High Strength, Durable
- Application Scenarios: Architecture
- Ledger: Q355 Steel
- Load Capacity: Up To 20KN/m2
- Shipping Origin: China
- Main Components: Standard, Ledger, Diagonal Brace, Base Collar, Base Jack, U-head Jack, Rosette, Etc.
- Ledger Spacing: 0.5m
- Ledger Size: 48.3x3.25mm
- Connection Type: Spigot And Rosette
- High Stability: Yes
- Max Height: ≤30m
- Package: Steel Pallet Or Customized
- Warranty: 10 Years
- Vertical Load Capacity: 20kN

Our Product Introduction

Product Description

Product Description

Our ODM Q235 HDG Durability Ring Lock Scaffolding is designed for large construction projects, offering superior strength and longevity. Made from high-quality Q235 steel, this scaffolding system is hot-dip galvanized to resist corrosion, ensuring a long service life even in harsh environments. The ring lock design provides quick and easy assembly, saving time and labor costs. Its robust construction ensures safety and stability, making it ideal for large-scale projects. Whether you're working on high-rise buildings, bridges, or industrial structures, this scaffolding system delivers reliable performance. Trust our factory-direct prices and strict quality control for your next construction project.

Specification:

Ringlock Vertical Standard

Specification	Thickness(mm)	Length(mm)	Surface	Weight(kgs)
M48	3.2	500	HDG	2.56
M48	3.2	1000	HDG	4.99
M48	3.2	1500	HDG	7.45
M48	3.2	2000	HDG	9.95
M48	3.2	2500	HDG	12.43
M48	3.2	3000	HDG	14.87

FAQ:

Q: What types of scaffolding systems do you offer?
A: We offer a variety of scaffolding systems, including ring lock, frame, prop, tube & coupler systems, steel and aluminum planks, and various scaffolding accessories.
Q: How does your quality control process ensure the safety and reliability of your scaffolding products?
A: Our strict quality control process includes thorough inspections, material testing, and adherence to international safety standards to ensure our scaffolding products are safe and reliable.
Q: Can you provide customized scaffolding solutions to meet specific project requirements?
A: Yes, we offer customized scaffolding solutions tailored to meet the unique needs of your project, ensuring optimal performance and safety.
Q: What is the typical lead time for orders, and how do you handle urgent requests?
A: Our standard lead time varies depending on the order size and complexity, but we prioritize urgent requests to ensure timely delivery without compromising quality.
Q: Do you offer support and guidance for scaffolding assembly and installation?

A: Yes, we provide comprehensive support, including detailed assembly instructions and technical assistance to ensure proper installation and safe use of our scaffolding systems.
Q: What are the key advantages of using your aluminum ringlock system?
A: Our aluminum ringlock system offers several advantages, including lightweight design, easy assembly, high load capacity, durability, and corrosion resistance, making it ideal for various construction projects.
Q: How do your prices compare to other scaffolding suppliers?
A: We offer competitive factory prices while maintaining high-quality standards, providing cost-effective solutions that deliver excellent value for your investment.
Q: What certifications and standards do your scaffolding products meet?
A: Our scaffolding products meet international certifications and standards, including OSHA, EN, and ISO, ensuring they comply with the highest safety and quality requirements.
Q: Can you provide references or case studies from past projects?
A: Yes, we can provide references and case studies showcasing our successful projects and satisfied customers to demonstrate our expertise and reliability.
Q: What is the process for placing an order and what payment options do you accept?
A: Placing an order is simple: contact our sales team with your requirements, receive a detailed quote, and finalize the order. We accept various payment options, including TT, letters of credit, and other secure methods.
