

# Construction scaffolding Non Slip Foldable Aluminium Ladder Anti Corrosion Powder Coated

## **Basic Information**

Place of Origin:	China
Brand Name:	bythai
Certification:	SGS,IOS
Model Number:	BT207
Minimum Order Quantity:	1000
• Price:	4.5-8.5
<ul> <li>Packaging Details:</li> </ul>	container
Delivery Time:	10-15
<ul> <li>Payment Terms:</li> </ul>	L/C, T/T

### **Product Specification**

<ul> <li>Highlight:</li> </ul>	Non Slip Foldable Aluminium Ladder, Anti Corrosion Aluminium Ladder, W 390mm Folding Aluminum Ladder
Weight:	2.9kg-8.4kg
<ul> <li>Safety Rungs:</li> </ul>	Yes
<ul> <li>Safety Lock:</li> </ul>	Yes
<ul> <li>Non-Slip Feet:</li> </ul>	Yes
• Name:	Foldable Aluminium Ladder
Material:	Aluminium
<ul> <li>Load Capacity:</li> </ul>	150kg
• Foldable:	Yes
<ul> <li>Easy To Carry:</li> </ul>	Yes
<ul> <li>Easy To Assemble:</li> </ul>	Yes

#### Aluminium Ladder

Our range of scaffolding ladders provide you with a safe and secure solution for working at height on a variety of construction and engineering projects. The use of high-quality materials and exquisite manufacturing technology ensures the product's durability and reliability, making it an indispensable tool on the construction site.

Our scaffolding is designed to be lightweight, easy to carry and set up, while providing excellent load-bearing capacity and stability. Whether indoors or outdoors, our products can adapt to various complex construction environments, ensuring that construction workers can complete their work safely and efficiently.

In addition to scaffolding, our range of ladders are also ideal for your construction operations. We offer a variety of ladder types and sizes, including folding, telescopic and fixed ladders, to suit different work needs. Each ladder is carefully designed with non-slip treads and a solid support structure to ensure user safety and comfort during use.

Whether you are engaged in construction, maintenance or decoration, our scaffolding ladder products can provide you with high-quality support and help, making your work easier and more efficient. Welcome to contact us to learn more details about our products, we look forward to working with you to create a better working environment together.

#### Aluminium ladder

Name	Width(mm)	Length(mm)	Weight(kg)
Aluminium ladder	390	2000	2.9
	390	3000	4.2
	390	4000	5.6
	390	5000	7
	390	6000	8.4
