Product Description

Features:

Product Name: Ringlock System Scaffolding
Warranty: 2 Years
Application: Building
Shipping origin: China
Design Style: Industrial
Place of Origin: Tianjin, China
Hot dip galvanized ringlock
Soporte Diagonal Ringlock
Ringlock Scaffold Supplier

Technical Parameters:

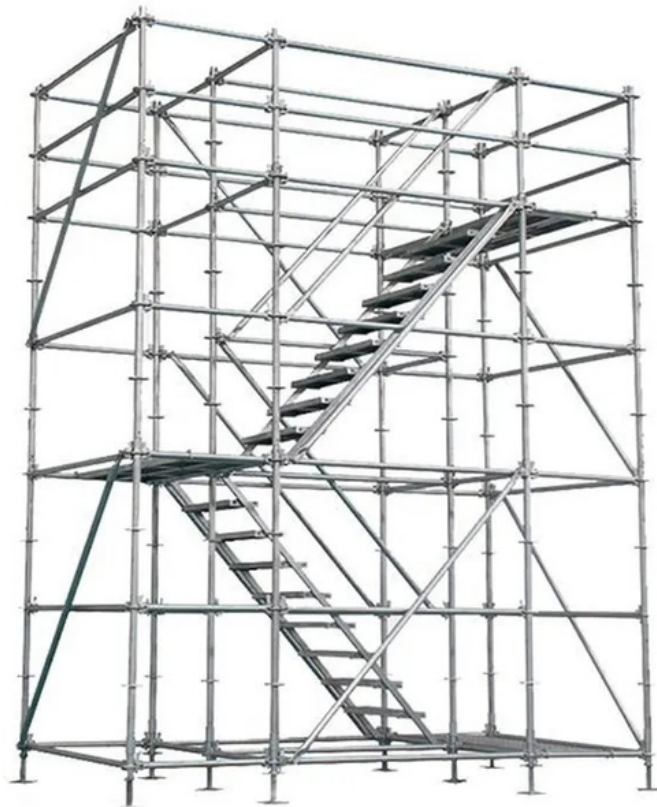

Product Name:	Ringlock System
Place of Origin:	Tianjin, China
Shipping Origin:	China
Warranty:	2 Years
Material:	Q235 Steel
Design Style:	Industrial
Surface Treatment:	Hot-dip Galvanized
Application:	Building
Application Scenarios:	Architecture
Product Attributes:	Ringlock Scaffold Connector, Easy Installation Scaffold System, Advanced Ringlock Technology

Applications:

The Ringlock System Scaffolding product from Bythai is certified with SGS ISO and has a minimum order quantity of 1000 units, with a price range of 10.8-85.5. The product is packaged in bundles and has a delivery time of 10-15 days. Payment terms include TT/TC. The Ringlock System Scaffolding product is versatile and can be used in a variety of occasions and scenarios. It is perfect for construction, maintenance, and repair work, especially in buildings with unique architectural designs. The ringlock rosette of the product ensures that it is easy to install and dismantle. The Ringlock System Scaffolding product is perfect for building applications, especially in industrial design styles. It is durable and corrosion-resistant, ensuring that it can withstand harsh weather conditions and last for a long time. The product is also easy to install, making it perfect for quick and efficient construction work.
